MAY MAGIC AND JUNE JOY!

One more month to go in this school year and we are fully enjoying the gorgeous spring weather! The students have been full of energy and eager to play and learn outside. Our garden is a gathering place at recess and lunch, and is also a place of learning with their teachers and garden experts from Flourish. Teachers are taking their classes on learning adventures to the forested area behind Centre Mountain Lellum and to playgrounds and nature spaces in the neighborhood. There have been days filled with skipping, Kindergarten picnics and orientations, soccer tournaments, bike lessons, visits from the Junior Canucks and a Lahal Tournament at Savory. And then May ended with the PAC sponsored Spring Fair and it was FANTASTIC! Such a beautiful day filled with play and fun. A huge thank you to our PAC and community for supporting our school. This coming week we look forward to the Grade 4/5 Cardboard Arcade, the District Track and Field and a Skipping Demonstration from Velocity Skipping! Right around the corner is Beach Day on June 15th. Permission slips have gone home. June 8th is Rainbow Day- a day to wear all the colours of the rainbow in celebration of kindness, inclusion and the joy of being yourself in a place where everyone belongs! Feel free to join in and wear whatever makes you feel great.

HONOURING ASSEMBLY AND ART SHOW

The days are filled to the brim with many learning adventures but two highlights from April were the Art Show and the Honouring Assembly. If any of you had a chance to pop by the Art Show, you had the opportunity to fully experience the creativity and talents of our students. The show was titled "When Flowers Meet Friends" and that was a perfect description of this celebration of spring, art and community. Thank you to our staff for organizing this event for the students and our families. Here is a video link to the show if you didn't have a chance to come by for a visit- <https://youtu.be/i76owOqBqfQ>

Our Honouring Assembly was also incredible. The students embraced the opportunity to share their thoughts about our school and what it means to be a PEXSISEN Cub. Our guests were delighted to hear them speak, drum, sing and share. During our first Honouring Assembly 4 years ago, we shared a video created by our teachers and students. We updated it this year with a few new images, but the message remains the same- one of welcome, belonging and community. We thought you might like to see it too- here is the link - Enjoy! <https://youtu.be/zsreJYdY8nw>

Grade 5 Celebrations and Fundraisers!

Our Grade 5s are soon heading off to middle school and they are planning some fun ways to celebrate and acknowledge their achievements. The Grade 5 Leaving Assembly is June 23rd at 10:45, and their year end field trip into Victoria is on June 16th. The PAC has kindly and generously provided some funding for these events but the Grade 5s also have some plans for fundraisers. During the Arcade Fair for Grade 4/5s, they will have a 50/50 draw. They have already sponsored a Freezie Day and on June 11th, they are organizing a Pizza Day. We know everyone is going to love this day, because this is the only Hot Lunch Day for June!

Arcade Fair- June 3rd

Our Grade 4/5s will be hosting an Arcade Fair on June 3rd. Over the last weeks, they have been creating arcade games out of cardboard in their ADST classes. They are so proud of their creations and will be showing them to their families from 4:00 to 5:30 on June 3rd. All the other classes will also have the opportunity to play these games during the day. It is going to be SPECTACULAR!
